Reading

We love reading at St Clements and it is amazing to see so many children achieving their safari reading rewards.

Please remember to sign and date the record booklet each time your child reads to you.

Now that all children have levelled reading books coming home – please read these at least 3 times per week and record these reads in the reward book. Please continue to read stories to your child but try to keep the official recording of reading to the levelled reading books.

Remember to also record in the dated reading record as these are checked weekly by staff. They should read 3 times or more each week.

Celebrating Birthdays Reminder

We love celebrating birthdays and know how special the occasion is for a child. We love to sing happy birthday and enjoy hearing all about their day.

However, we have made the decision that we will do not allow children to give out party bag type gifts to children in their class. This includes sweets, cakes or toys. Thank you for your understanding.

Children in Need

Friday 17th Nov - Wear clothes with spots. No uniform needed.

Don't feel that you need to buy anything. Add spots to something you already have or use face paint to look spotty.

Feel free to also wear anything 'Pudsey' related if you have it

Sorry for the short notice.

Roblox is a popular online app for children. The age rating is 7+ so children younger than this should not be playing it.

However, games in the app vary for what age they are suitable for. Please check them before your child plays. Use the link below to read parental guidance and more information.

Car Engines
It is very important that car engines are TURNED OFF when cars are parked or waiting near school. Please help keep our children healthy by not adding fumes to the air unnecessarily.

Sports for School
Our visit from Luke Delahunty was such an amazing experience for all the children. They had such fun!
Thank you to all those who raised money for school PE.
