

We will enjoy sharing books and stories about families.

We will talk about who is in our family. We will be curious about our friends' families and learn that all families are different.

We will talk about things that are important to us such as a favourite toy or a pet. We will show compassion for differences.

We will be curious about how we look and use mirrors to help draw a self-portrait. We will explore how to mix different paint colours.

In this project the children will explore what makes them unique and special. They will use their curiosity to find out about their new friends.

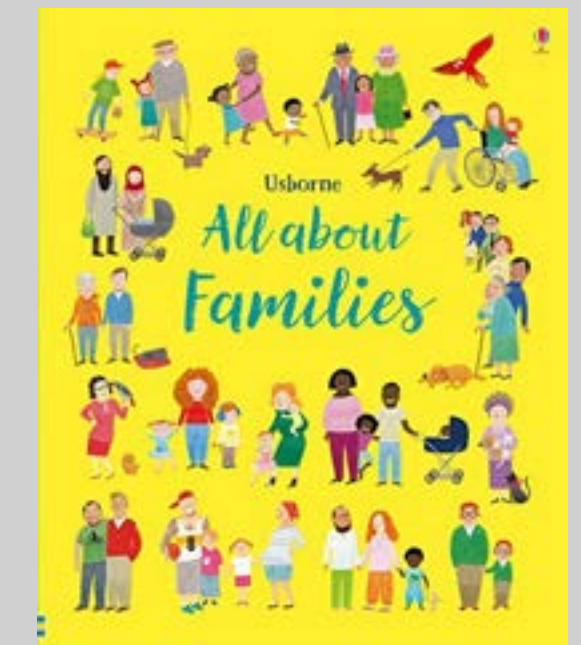

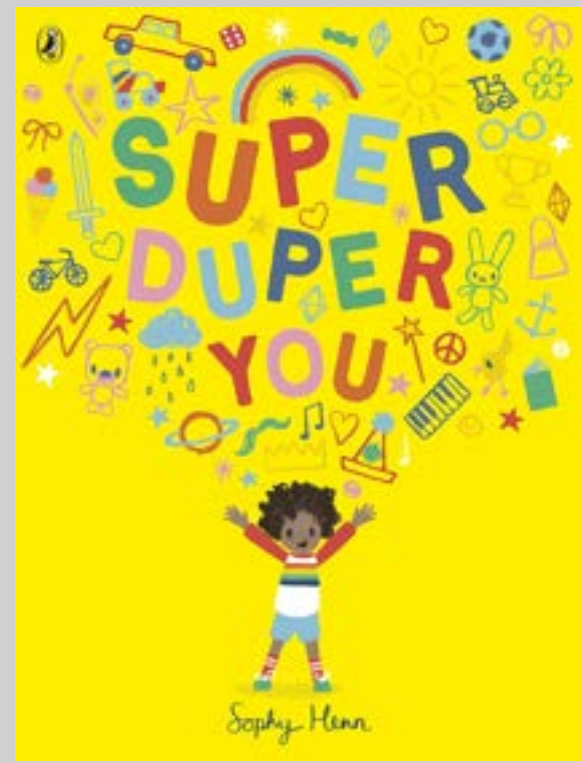

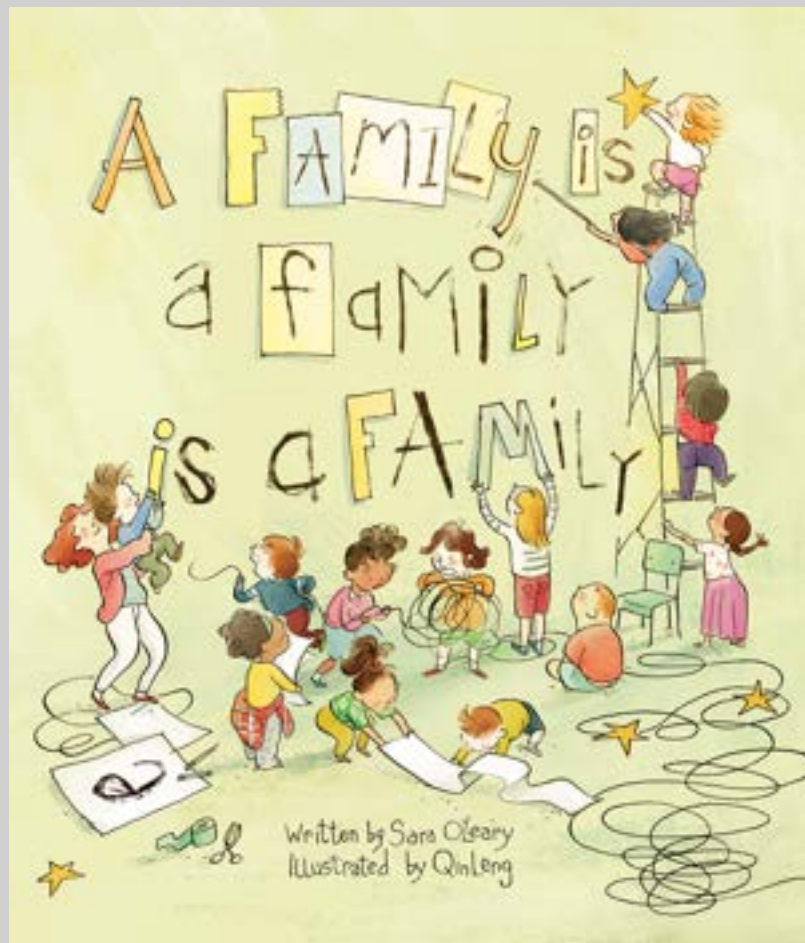

We will learn to recognise and write our names independently.

We will explore our feelings and begin to name them. We will be considerate of other people's feelings.

We will explore different ways that our bodies can move.

What makes me special?

HOME

Home learning challenges

Try a different one each week.

We will be sharing these in class fortnightly.

Phonics

Help your child practise letter formation and saying the letter sound. A new sheet will be sent home every time a new letter sound is taught.

Bedtime Books

Share this with your child every night. A new book will come home on Fridays. Return the book you have had on the following Friday.

Learning outside the classroom

We would love to know when your child learns or achieves something outside of school. Feel free to bring it in and share it with the class.

Notes for home

PE days are Tuesdays.

Please make sure your child wears their PE Kit to school on these days and **EARRINGS ARE REMOVED.**

Please check that all uniform is clearly named, including coat, scarf and hat.

Water bottles need to be in school each day with fresh water. No juice thank you.

Check you emails regularly for information from school and look on the school Facebook page for updates.
