Different
types of
gardens

Think of a
garden- any
garden-
your garden,
a wild garden,
a park
garden...

Different
types of
gardens

Talk together.
What does a
garden need?

A
garden
needs

...

Time,
Effort,
Water,
Sun,
Care...

Jesus loved
to spend
time in a
garden.
He would
pray and talk
to his father,
God.

What sort of garden would you like to be in to be calm and have fun?

Tidy and neat?

Or

Messy and wild?

Peaceful?

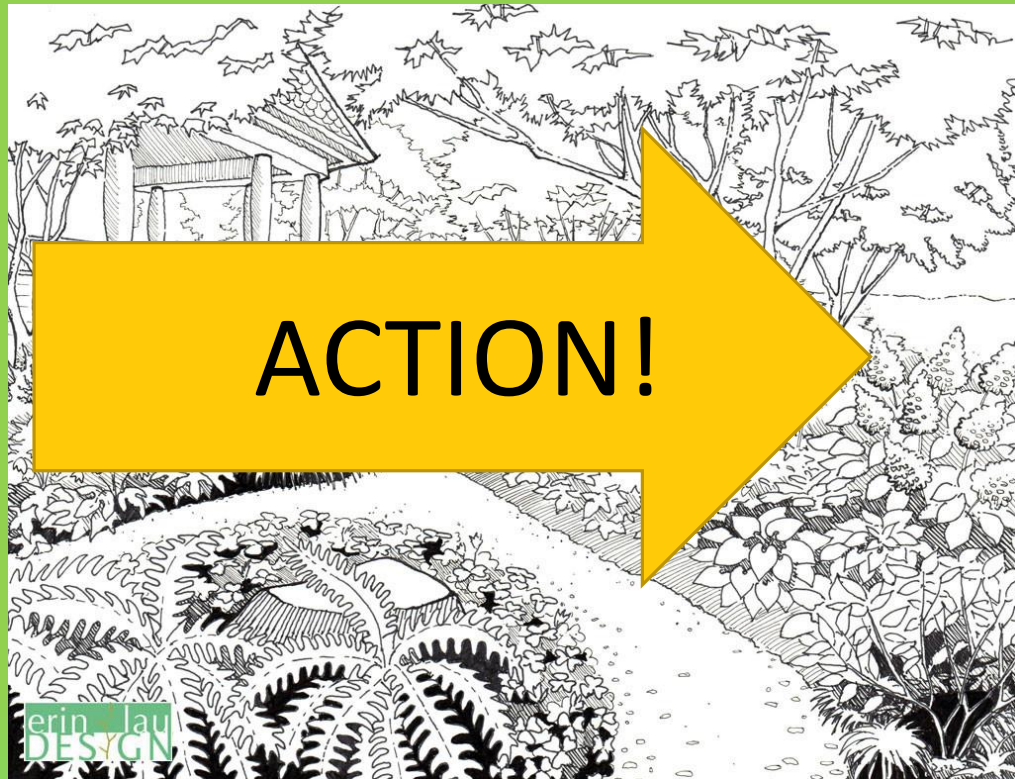

A garden to
plant and grow
things?

A garden with a play park?

Gardens
with
games?

Some of us can't go into a garden right now. But we can draw or make one!

Design a 2D or 3D garden with paper and pens or paint, or make an Easter garden, and send us a picture!

Drawings and paintings of gardens...

Easter garden ideas.

You can use anything as long as your grown ups say yes!

Send a picture of your creation to school, and we will put it on the website!

Wherever we are, we can pray.

Five Finger Prayer

Dear Jesus, please help our lives to be like a beautiful garden, Amen.
