

Year 1 Autumn 2025

Adventure Time

During Adventure Time, the children will be set different challenges to complete. Each challenge has a different item to collect. The children will work to complete the challenges and collect the items to go on an 'adventure'. We will build this up slowly over the term.

PSHE Jigsaw

In Jigsaw we will learn about what makes us special and how to keep ourselves safe. We will learn about making choices and sharing our opinions.

PE

In PE we will explore the fundamental skills of balancing, running, changing direction, jumping, hopping and skipping.

Computing

In Computing we will explore how to log in and save our work using Purple Mash.

RE

In RE we will learn about Christians' view of creation and what they believe about it.

Science

In Science we will learn about our different senses and how we use them.

Being Me in My World

Music

In Music we will explore pulse and rhythm.

Maths

In Maths we will focus on place value, counting, sorting and comparing amounts. We will learn number bonds to 10 and practise adding and subtracting.

English

In writing we will practise our sentence writing and explore adjectives and verbs. We will refine the skills we learnt in Reception such as letter formation and full stops. We will write stories and poems.

In reading we will practise making predictions about stories.

Geography & History

In Geography we will explore our local area and use maps.
In History we will learn about how we have changed as we have grown.

Art & DT

In Art we will be exploring different ways to create lines and shapes. We will create a self portrait.

Check your emails and class dojo for information from school and look on the school Facebook page for updates.

Rainbow Reading Challenge

Reading

Make sure you read with your child at least 3 times each week and write in their reading record. Well done to everyone who earns a reading reward last term!

Bedtime Books

Share this with your child every night. A new book will come home on Fridays. Return the book you have had on the following Friday.

Mathsnificent

Your child will come home with a maths learning card every week. Please help your child to complete their new maths challenges.

The card contains maths facts your child needs to learn. Please help your child practise these at home. The QR codes will help you.
