

YEAR 2 CURRICULUM NEWSLETTER

WRITING

In writing we are applying our grammar knowledge and using commas, question marks and exclamation marks. We are writing our own version of familiar stories, a non-chronological report, some instructions and a recount.

READING

In reading we are focusing on retrieval: finding information and learning about characters. We are making inferences and predictions based on what we already know.

SCIENCE

In science we are continuing our learning about how plants grow from seeds and bulbs and we will also be looking at life cycles of humans and animals.

Wild Things

RE

In RE we are focusing on Islam. We are learning about the 5 Pillars and prayer in Muslim life.

MATHS

In maths we are refining our number knowledge and our skills in the four operations. We are learning about measuring time, capacity, temperature and mass.

COMPUTING

In computing we are using technology purposefully to create, organise, store, manipulate and retrieve digital content.

ART

In art we are looking at Aboriginal art and creating Lino prints. We are learning about sculptor Hamish Mackie and creating our own clay sculptures.

GEOGRAPHY & HISTORY

In geography we are comparing Mali with our local area and learning about hot and cold places on Earth. In history we are studying local heroes, including Mary Anning, and finding out why they are significant.

JIGSAW PSHE

In Jigsaw we are learning about trust in relationships and 'worry secrets'. We build on our body parts knowledge from year 1 and learn about inappropriate touch and assertiveness.

MUSIC

In music we are learning an African call and response song and recognising simple notation.
