

Year 1 Autumn 2024

During Play to Learn, the children will be set different challenges to complete. Each challenge has a different colour. The children will work to complete the challenges and collect the colours to make a rainbow. We will build this up slowly over the term.

Rainbow Challenges

PSHE Jigsaw

In Jigsaw we will learn about what makes us special and how to keep ourselves safe. We will learn about making choices and sharing our opinions.

Science

In Science we will learn about our different senses and how we use them.

Maths

In Maths we will focus on place value, counting, sorting and comparing amounts. We will learn number bonds to 10 and practise adding and subtracting.

Geography & History

In Geography we will explore our local area and use maps.
In History we will learn about how we have changed as we have grown.

PE

In PE we will explore the fundamental skills of balancing, running, changing direction, jumping, hopping and skipping.

Computing

In Computing we will explore how to log in and save our work.

RE

In RE we will learn about Christians' view of creation and what they believe about it.

Music

In Music we will explore pulse and rhythm.

English

In writing we will practise our sentence writing and explore adjectives and verbs. We will refine the skills we learnt in Reception such as letter formation and full stops. We will write stories and poems.

In reading we will practise making predictions about stories.

Being Me in My World

Art & DT

In Art we will be exploring different ways to create lines and shapes. We will create a self portrait.
