

School Streets Volunteers needed

We are looking for extra volunteers to help supervise the School Street barriers at the start and end of the school day.

Why get involved? To help create safer places for children, make a difference to the health and wellbeing of young people and reduce congestion and air pollution.

We need you! School Streets rely on volunteers from the school community. If you can spare some time to help, please sign up through the school.

Walk Wheel Cycle Trust is the charity making it possible for everyone to walk, wheel and cycle.

We work with BCP Council to support more families to make people powered journeys to school.
