

Hope

We show this by:

- Being empowered with God's hope for our future
- Taking responsibility for our learning
- Knowing that small steps lead to success
- Using words to encourage myself and others
- Saying 'I can...' when it is challenging
- Trusting in Jesus' help in stormy times
- Working together for God's good plans for our community

*Bible verse: **Jeremiah 29:11** For I know the plans I have for you, declares the Lord, plans for good... to give you a future and a hope.*
