Message from our Headteacher Mr Woodward

I can't believe it is February already! What a great start to the Spring term it has been. The children have been busy making new steps in their learning journey and discovering new things each day. I have been so impressed with all the amazing reading happening at home and how many children are receiving awards in worship. Keep up the great work.

Times of the Day

School Starts at:

8:45am

School Ends at:

3:10pm

The Designated Lead Person for Prevent in our school is Mr Woodward.

He is responsible for implementing the Prevent duty to protect children from radicalisation. He acts as the central point for assessing risks, managing concerns, ensuring staff training, and liaising with external agencies like the police or local authority partners.

If you have any concerns regarding the welfare of a child or family in relation to extremist ideologies and radicalisation, please do speak to Mr Woodward or any member of the safeguarding team.

Goodbye Mr Nicks

We sadly say goodbye to Mr Nicks at the end of this half term. You have been an amazing member of the St Clement's family, and we all wish you every success in your new role and school.

Welcome to the world

A huge congratulations to Mrs Sturgeon who welcomed her beautiful baby boy into the world on

Great Learning to share

The Early Years children have been learning about the past and comparing their lives now to when they were babies. They sorted pictures and wrote sentences about what they can do now. Super learning!

Half Term Holiday

School is closed
Monday 16th - Friday 20th February for
the half term holiday.

Monday 23rd February is a staff training
day - school is closed.

The children's first day back is
Tuesday 24th February.

We urgently need more volunteers to help on
the school streets barrier in the mornings and
end the end of the day.

Even if you can commit to one session per week
that would be amazing. The barrier is an amazing
way to keep your children safer on the way to
school

Please speak to the school office for more
information.

**Children have this amazing way of
becoming exactly who we tell them
they are. If we tell them they are
strong, they become strong. If we
tell them they are kind, they
become kind. If we tell them they
are capable, they become capable.
Speak life into your kids, so they
will have what it takes to tackle
their own life one day.**

Annual Parent Survey 2025/26

We would like to extend our sincere thanks to all the parents who took the time to complete the annual parent questionnaire.

A summary of some of the questions and comments is below. We are delighted that the vast majority of people who answered with such positive responses either agreeing or strongly agreeing with the statements.

Senior leaders and governors will use these results to support our ongoing school development efforts. The feedback will be analysed and discussed during upcoming governing board meetings.

Thank you once again for your valuable input and support.

These are some of the comments shared by parents/carers:

- My son has just started reception and is loving it!
- My child has thrived in such a kind and nurturing environment
- He like the friends, the teachers, and learning.
- Mostly yes, but he does find the route through the gates challenging at times and has been knocked by other parents that hover
- He trusts the staff so he feels secure.
- Communication could be improved with the Dojo app. Some info shared but would be nice to know all.
- It has been good to have the Dojo app this year to see what the class have been doing. I also know I can speak to the teacher at pick up time if I have questions
