Dear Families,

ClassDojo

We are excited to be using Class Dojo again this year.

Class Dojo is a free app that you can download to your phone or tablet. We will use it to share information with you, upcoming events and learning your child has done at school.

If you are not already connected, your child will be coming home over the next few days with a sign-up letter. You can scan the QR code to connect or download the app, you can then use your code to join our school! Families can connect using their computer, or any iOS or Android device.

If you are already connected, you will have received an email to say your child has been added to their new class, so you're good to go!

Once you have signed up you may be prompted to choose a subscription, please DO NOT do this. Dojo is a free app, and you do not need to pay to see the class/school stories. Please click the 'x' on the top right-hand side.

ClassDojo notifies families when a post is added to Class Story, School Story, or their child's Portfolio. If it's been a while since they logged in, family members will get a reminder to view their kids' feedback at the end of the week.

If you have any questions, please speak to your child's teacher or the school office.

Many thanks,
School Office
